

Tested and Approved Deck Products

January, 2012

Note: The evaluation report number given by the International Code Council indicates structural approval of the product. Changes are continuously being made to the list. If your product is not on the list, talk to the company selling the product and inquire about their ability to provide an evaluation report.

You may also find wood plastic composite materials with a UL designation. UL also provides structural testing for these types of products.

Another listing you might see is ANSI. ANSI correlates with the CCRR designations.

Note: Fiberon Deck Boards has multiple listings of brand names such as: Veranda, Portico, Tropics, Certainteed EverNew, Home Depot Sanctuary, Pro-tect. Review report for all listings.
